The Boys Track and Field Team completed the 1981 season with a perfect 7-0 record. The season was highlighted by two new school records and two District 10 champions. The school records were set by Jeff Troyer in the 3200 meter run (9:33.72). This first place effort was also a District 10 record and the second fastest qualifying time in the state. The other school record setters and District 10 champions were the members of the 1600 meter relay. Mike Cruz, Ted Williams, Ross Fargo, and Tom Eck recorded a District 10 record with a 3:27.35 clocking. This quartet bettered that with a time of 3:26.03 while finishing 7th at the state meet.

With only two players returning to their normal positions from the 1980 season, a new first year coach, and no pre-season games, the 1981 Corry Beavers Baseball team struggled to seven straight losses before registering their first victory against the Wattsburg Bobcats.

This victory was followed by a victory over the Fort Le Boeuf Bisons and it looked as though the future would bring more good fortune. But that was not to be the case. The Beavers played exciting games against the General Mc Lane Lancers and the Fairview Tigers just to have victories elude them in the seventh and ninth innings respectively.

Although the Beavers played better baseball than their 2-16 record indicates, several players gained valuable experience at their positions to help them in the upcoming 1982 season. With starting seniors Scott Hunt, Shawn Greer, and Doug Craker to lead them, it is hopeful that the Corry squad will show a record that is equal to it's potential in the 1982 baseball season.

IF YOU LOOK AT THE 1980-81 TENNIS RECORD, YES WE ARE LOSERS. BUT IF YOU LOOK AT THE GROWTH AND THE MATURITY, THE SELF PRIDE, AND INDIVIDUAL ACCOMPLISHMENT OF EACH TENNIS TEAM MEMBER, THEN WE ARE NOT—AS THE RECORD INDICATES—LOSERS. THE COUNTY HAD VETERANS OF 3 YEARS PLAYING OUR INDIVIDUALS WHO PREVIOUSLY WERE EXHIBITION MATCHES. THIS CAN BE SAID NOT TO GAIN SYMPATHY, BUT RATHER AS FACT. WE DID NOT GIVE UP! WE MAINTAIN JUST AS MUCH PRIDE IN OURSELVES AS IF WE HAD A WINNING RECORD.

Corry's inspiration-Frank "Mr. Excitement" Gerzina.

Corry's stern defensive line headed by Bryan Griswald.

The Corry Beavers finished the 1981 season with a record of 3-6. It was a disappointing year and, yet, the team showed great courage and determination. The team lost 4 of the 6 games by a total of 13 points. The team exemplified the saying, "If you have given your best, you have won." They also realized that failure was not defeat unless they stopped trying to win. They never stopped trying, and for that they can be proud.

Two individuals were named to the ECL First Team. Darrell Hall, who led the ECL in scoring, was the top vote getter at running back. Chip Nuzzo, who led the ECL in interceptions, was an unanimous selection at defensive back. Three others received recognition on offense. Fullback Doug Craker and guard Drew Clark were named to the second team. Center Scott Frisina was tabbed as honorable mention on defense, linebacker Tim Johnson and tackle Bryan Griswald were hailed as second team performers.

As athletic competitors we must all remember that hard work and discipline will always lead to success.

The 1981 Lady Beavers Volleyball Team deserves the credit of a championship team. The girls did a super job this year, they lacked experience and skill when we started but, improved 100% over the season.

The Lady Spikers were an exceptional: team: they worked hard in practice, had fun and played their best. Most teams who lose more than win give up but, our team never gave up, they fought hard every game. When you play your best as a whole team and care about each other the these girls did how could they be losers!

Working with these girls find ladies has been the highlight of my life. I will take this experience and cherish it forever. I hope that these ladies will go their seperate ways and touch other people lives like they have mine.

Thank you, players, statisticians, managers, Coach Reed, Parents, and Corry for an enjoyable season.

Love,
Coach Bayle

The Corry Wrestling team began the 1981-82 season with just 5 returning full time starters. But the boys that filled the vacant spots proved equal to the task and helped form the nucleus of a very balanced team. The highlight of the dual meet season was the 28-25 victory over Fort Leboeuf. This victory put an end to the Bisons' 45 consecutive dual meet win streak in the Erie County League. The Beavers have also done well in tournament action. The team finished 4th out of 16 teams in the tough Tool City Tournament in Meadville. Bryan Griswold was Corry's only champion. Corry finished a close second to Oil City in the North East holiday tournament. Capturing championships for Corry were Tom Puckly, Ed Burkhart, Troy Jaggi and Bryan Griswold. Corry hosted the Erie County Coaches Tournament and the host school ran away with the championship. Corry had 8 boys in the finals, with 5 winning championships. Corry winners were Tom Puckly, Dean Valente, Ned Bailey, Charlie Buckshaw, and Tim Johnson. Tim Johnson was also selected by the Erie County coaches as the outstanding wrestler of the tournament. The team took the Sectional title for the 2nd year in a row, and the 3 co-captains qualified for states.

Every team has a personality. This team had several of them. The personality of the team as a unit was fun-loving, hard working, determined and proud. They were a come-from-behind team, at least through the first five league meets. This changed, though, at the Harborcreek meet at home. In this one, they were determined to get ahead and stay ahead! They clearly demonstrated that they were the champions. The coach was sure the issue was settled when the medley relay teams attacked a supposedly stronger Harborcreek team and blew them out of the water. After that it was all Corry.

Other fond memmories of the 81-82 season: "Home" diving in somebody else's pool. The "prayer meetings" on the steps - especially the Harborcreek meet. Denny breaking records. The "brain-trust" meetings on the bus with captains Barry and Jill and coach Gus. Lori in the wrong dressing room! The "H.A." award and its perennial winner. Paula's problems: ears, toes, knees, heart. Smacks and crakes our divers felt in practice Super relay starts, like Barry and Don and Mike. "Sprinters breaks" The stampede at McDonalds. Winning meets without winning a relay! Giving the opposition a hug after beating him. Changing the "Top 10."

The 1981-82 Girls' Baskerball team was noted for its hard work and improvement. Over half of the squad were freshmen, so the five starters saw most of the playing time. Becky Krakowski and Melissa McLean served as senior co-captains. Sue Burkhart and Brenda Puckly, both juniors, played consistently and will provide a nucleus for next year's squad, along with freshman starter Wendy Kennedy.

A notable highlight of the season was the record-breaking scoring of Becky Krakowski. On February 9, 1982, Becky broke the Corry High scoring record and then on February 12 she became the first player to score 1,000 points. For her career Becky finished with 1,039 points.

The 1981-82 basketball season proved to be one of the most successful seasons in modern Corry history. The Beavers finished the season with a record tying-17 wins and 8 losses. In addition this years Team became only the 2nd team in 35 years to enter the post-season District 10 playoffs. The key to this years success was Corrys "Diamond Press" and the hustle and speed of its players. Five seniors graduate from this oustanding Team—Webb Andrus, John Brigham, Tim Joncas, Scott Hunt, and Mike Maedje.

The Beavers picked up their 18th victory verses Mercer before being ousted from the playoffs with losses to Harborcreek and Erie Strong Vincent.

1981-82 Foreign Exchange Students

Hermien Teunissen is a foreign exchange student from Haarlo, the Netherlands. She has been attending Corry Area High School this year. Hermien arrived in Corry on August 4, 1981.

Hermien has been staying with Mr. and Mrs. Grant (Jean) Gregory and their daughter Diane. She will stay with only one family during the year.

Hermien was able to come here through Y.F.U. (Youth For Understanding), which is an International Student Exchange Program.

Hermian's family isn't too big. Her parents are Ep Teunissen and Fenny Teunissen. Her father owns a contracting firm and builds houses. Her mother works in a doctor's office as a medical assistant. Hermien has a "little" brother who is 19 years old. His name is Erik.

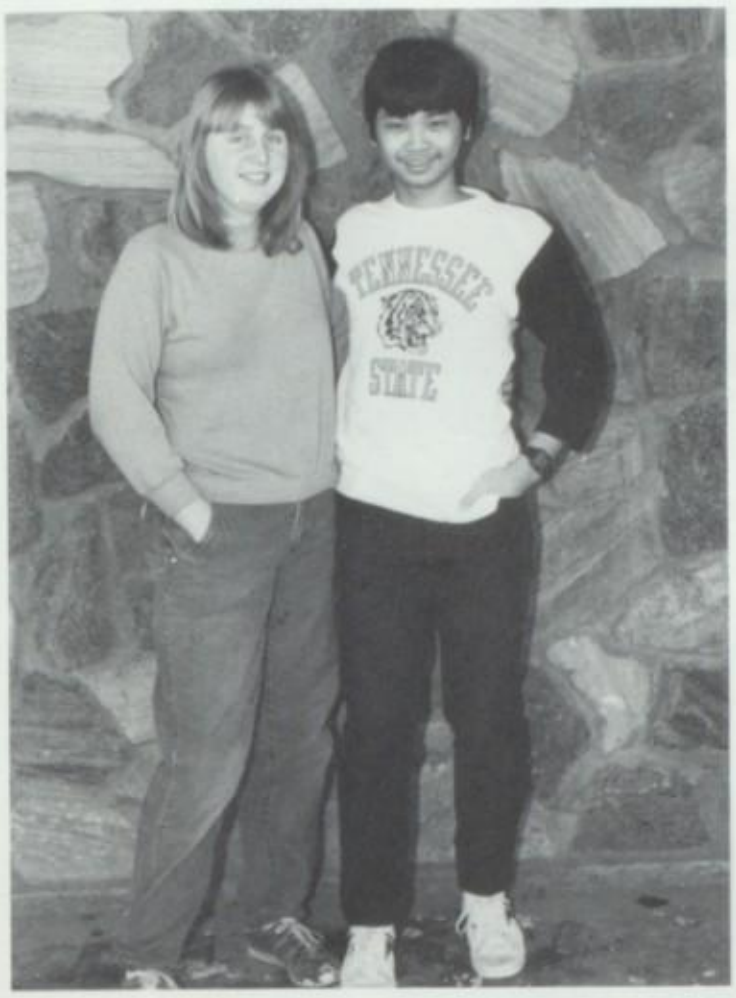
Hermien would like to go on to school for further training to be a nurse. She may join the army and be a nurse there.

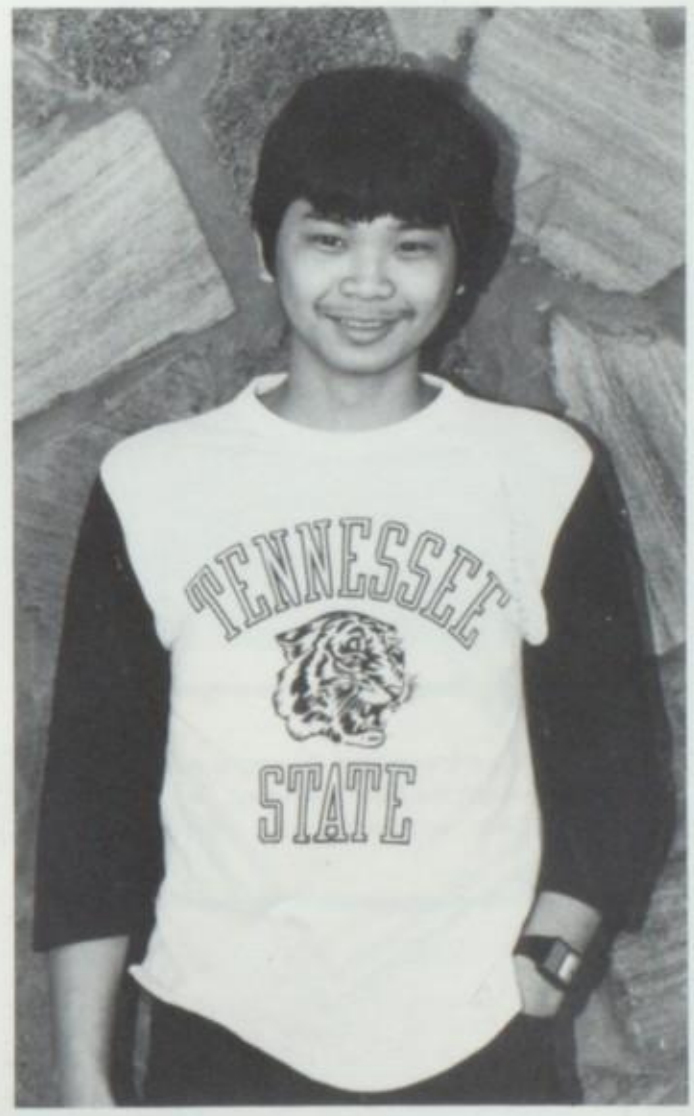
During her spare time Hermien enjoys waterpolo and horseback riding. She also likes baton twirling and belongs to a twirling group in her hometown.

Hermien said she likes everything about Corry. She has met alot of nice poeple while she's been in Corry. Hermien will be leaving in June or July. She's not sure which.

It has been very interesting having Hermien around C.A.H.S. this year. She has talked to alot of people and taught us all alot about the Netherlands.

K.B.





Amos Anderson is a foreign exchange student who has been attending C.A.H.S. this year. He is from the Philippines. He arrived August 9, 1981.

When Amos first came here he stayed with Dr Richard Steves and his family. He then went to stay with a second family, that of Mr. Theodore Keeler. Amos is now staying with Mr. Alex Gernovich and his family.

Amos was able to come to Corry through a program sponsored by the Corry Rotary Club of Pennsylvania.

Amos comes from a good sized family. His parents are Mr. Johnny Anderson and Mrs. Marietta Anderson. Amos has three brothers and one sister. His oldest brother, Gerry, is 18 years old. Andy is 17 and Hans is 12. His sister, Joie, is 21. Amos' father works with solar engergy.

Amos plans to attend college after high school and would like to eventually be the president of his own company.

When asked what he likes most about Corry Amos answered "GIRLS!" Some of his hobbies are swimming, basketball, collecting records, and tennis. Amos plans to be on the tennis team this year. (Maybe he'll be an asset to our team!)

Everyone has enjoyed having Amos around this year. He has taught alot of us new things about the Philippines. Amos has gone around to alot of different organizations and told them about his country. I'm sure they have learned many exciting things, and how their way of life differs from ours.

Amos said that he liked it here in Corry and that he had fun meeting a.. the people and trying our food.

Amos will be leaving Corry around the second week in June.

It was nice having him here and we hope that Amos got a good impression of the people in the United States by coming here.

K.B.

"I like dreaming", says Kelly Wascak. She has a lot on her mind, being a junior varsity football cheerleader and a varsity wrestling cheerleader.

What are friends for? Having a good time decorating the Prom are Karen, Bev, Melinda, Foxxi, and Becky.

"I know I'm late for class, but I don't want them to think I'm perfect all the time, do I?"

other side: Love is a many splendored thing for Lonny Owens and Mark Hansen. Not for each other though, but for that "special someone" in their life.

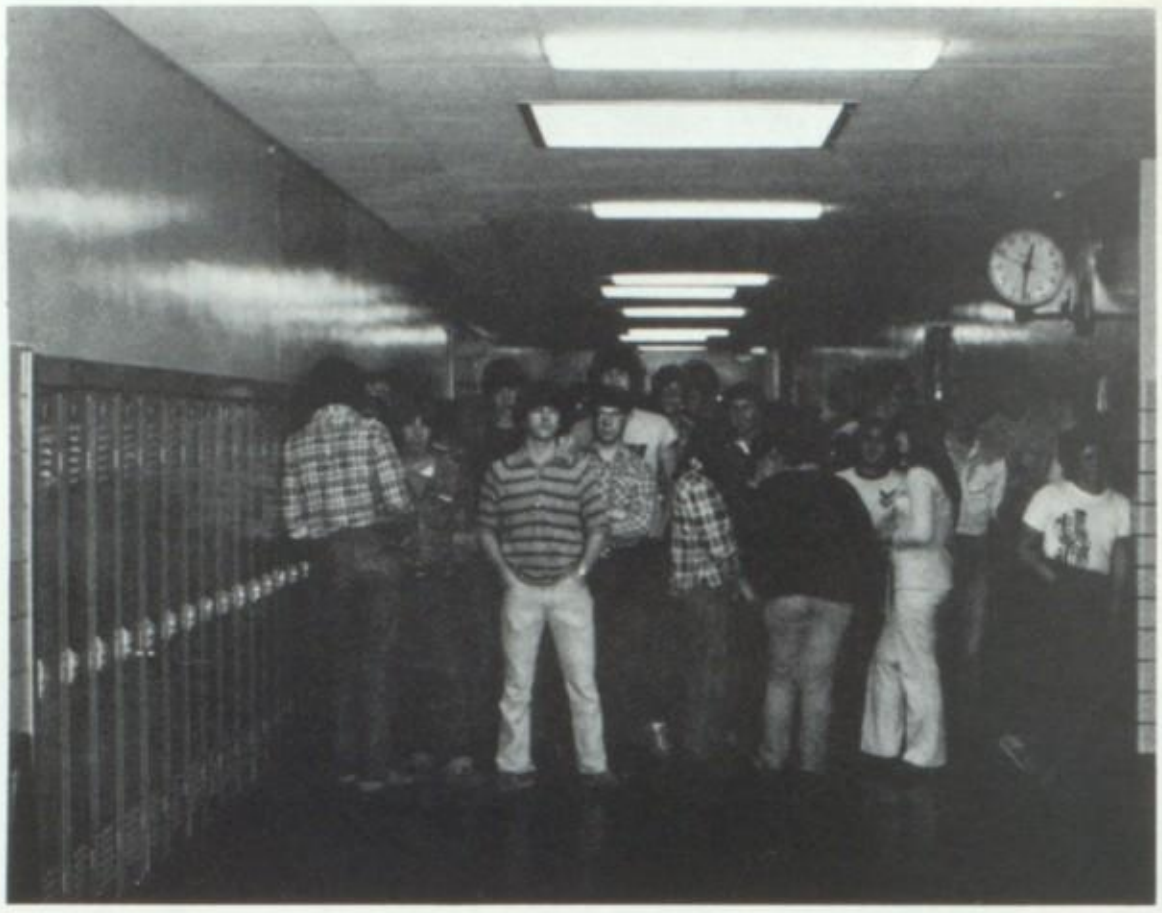
Everyone is just "hanging around" in the hall after lunch. They all look eager to get back to class!



It looks like Colleen and Scott are having fun at the Prom. Colleen was a server at the banquet and who knows who Scott went with.

Having a great time in volleyball are Shelly Mitchell and Melissa McLean. Shelly was a setter and Melissa was spiker. Both played on the varsity team.

"Suprise, you're on Candid Camera", said the person taking the picture to Sherry Akam.
